In re: Case Nos.
10-17952, 10-17953, 10-17958,
10-17976, 10-18727, 10-18728,
10-18729, 10-19644, 10-19645

Although we recognize the importance of the work performed by the six legal firms seeking reimbursement for fees and costs of their counsel, we request that they lower the amounts they are asking for. All totaled, their fees and costs amount to more than \$200,000, which is somewhat excessive and will greatly reduce the amount which is owed to the investors. Many of these are small investors, who, like ourselves, are either retired or approaching retirement and will have to rely on those funds for their livelihood. The amount of fees that Perkins Coie LLP is requesting, for example, is more than we earn in a year.

Again, we appreciate the work these legal firms have done on our behalf, but we kindly request that they lower their fees.

Sincerely,

Paul McDermott

Annette Ostergaard
